

F.No.8-3/2015-CT
GOVERNMENT OF INDIA
MINISTRY OF ENVIRONMENT, FOREST AND CLIMATE CHANGE
CLEAN TECHNOLOGY DIVISION

The Ministry of Environment, Forest and Climate Change under the Central Sector Plan Scheme on “*Development and Promotion of Clean Technology and Waste Minimisation Strategies*” invites proposals in prescribed format for financial assistance for the Financial Year 2016-17 for setting up Pilot Scale Demonstration Projects in the area of new, clean and innovative technologies in respect of present highly polluting categories of industries.

Sectors of Interest are:

S. No	Sector	S. No	Sector
1.	Agro Based Industries	2.	Aluminum Smelter
3.	Caustic Soda	4.	Cement
5.	Copper Smelter	6.	Distilleries
7.	Dyes and Dye intermediates	8.	Electroplating
9.	Fertilizer	10.	Integrated Iron & Steel
11.	Tanneries	12.	Pesticides
13.	Petrochemicals	14.	Plastics
15.	Drugs and Pharmaceuticals	16.	Pulp and Paper
17.	Waste Oil Refineries	18.	Sugar
19.	Energy	20.	Zinc Smelter
21.	Textiles	22.	Plaints and Resins
23.	Chemicals	24.	E-waste

Consideration criteria:

1. The proposals where primary research is already completed and research findings indicate the possibility and potentials of applicability and adoption of proposed new technology by the industry.
2. Objective of the assistance for setting up Demonstration Projects on Pilot Scale is to standardize the data obtained through primary research to develop and demonstrate the suitability of the prototype and to study the feasibility of the technology in the Indian environmental conditions both from economic, commercial, scientific and environmental point of view.
3. Setting up Demonstration projects on pilot scale on new, innovative and environmental friendly technologies is to assist and facilitate primarily the Small and Medium Scale units of the industry to adopt appropriate environmental friendly technologies.

Who are eligible to apply?

- I. Autonomous institutions/statutory bodies under Central or State Government in the field of R&D/ Extension with proven track record of having tie-up/collaboration with industries/consortium of industries.
- II. A registered company more than three years old, having healthy financial track record, with in-house R&D units, preferably recognized by DSIR and having tie-up with industries/consortiums of industries.
- III. Apex industry bodies.

How to apply

Ten copies of the proposal complete in all respect and duly recommended by the Head of the Institutions may be submitted along with prescribed application format given in the Ministry's website at (http://www.moef.gov.in/sites/default/files/guidelines-ct_1.pdf)

The nature of proposals supported should conform to the objectives of the Scheme and aim at development of a new or improved product resulting in prototype development and ending with demonstration in commercial environment, or development of a new or improved process resulting in establishment of process knowhow, development of process equipment and demonstration of yield, efficacy, energy and material savings/recovery, conservation of resources and waste minimization, environmental benefits etc.

Submission of proposal

The proposals are required to be submitted in hard copies through Registered/Speed post by 31st July 2016 to the address given below:
