2.14. M/s Coastal Rubbers, Prakasam, Andhra Pradesh (F. No. 23-29/2015- HSMD):

The applicant has requested for the extension of validity period of previous permission granted for import of 3124 MT of Used Rubber Tyre Scrap vide letter dated 5th August, 2022 by at least 6 months. They have mentioned that they have started a late utilization of this NOC due to the disturbance in Eastern Europe. Several ports were shut down due to the conflict, leading to a rise in Ocean shipping costs and non-availability of the containers in the international market. Ships had to be rerouted causing congestion and leading to delays in cargo flows which worsened the global supply chain.

They stated that this granted quantity is unutilized as of the date whereas the permission already expired on 14th October 2023. A considerable time of at least more than a month was taken by DGFT to issue the import license against this NOC permission. So the utilization period to import was much less and we couldn't utilize this permission for the import of rubber scrap. So they have applied for extension.
